From the Principal's Desk:.....

Greetings,

Shillong College stands as one of Meghalaya's most distinguished co-educational institutions, guided by a steadfast commitment to academic excellence, inclusivity, and holistic development. Accredited with an A+ Grade by NAAC (CGPA 3.33), the college continues to align itself with the transformative vision of the National Education Policy (NEP) 2020, ensuring that our students are prepared for both present challenges and future opportunities.

At Shillong College, we believe that education extends beyond the classroom. We are deeply committed to fostering an inclusive and supportive learning environment that caters to the diverse needs of our students, including those requiring special support. Our campus life is vibrant and dynamic, enriched by a wide spectrum of co-curricular and extra-curricular activities, community engagement, and experiential learning opportunities.

Our dedicated faculty members play a pivotal role in mentoring students—not only academically, but also in their personal, ethical, and physical development. We strive to empower every learner to discover their potential, build confidence, and cultivate a lifelong passion for knowledge.

As we step into the academic year 2026, we warmly invite aspiring students to become part of the Shillong College community—a space that nurtures innovation, encourages critical thinking, and promotes responsible citizenship. Here, we aim to shape individuals who will contribute meaningfully to society and uphold the values of integrity and excellence.

I extend my best wishes to all our students for a successful academic journey and a future filled with achievement and purpose.

Dr. Shanwell Khongwir
Principal
Shillong College

The College Emblem

The White Background in the middle stands for our humble beginnings when a few noble, caring and dedicated souls established this college on 15th August 1956 in order to address and cater to the needs of the less privileged sections of society for whom higher education and the world of knowledge would have practically remained out of bounds. This colour also stands for simplicity, purity, transparency and clarity of thought achieved through knowledge.

The Lamp in the white circle represents the illuminating, guiding and purging light of knowledge, wisdom and truth that will banish/dispel fear, doubt, ignorance, parochialism, bigotry and prejudice.

The significance of the Swan which is seen next to the lamp may be found in Hindu mythology where Saraswati, the Goddess of Knowledge is depicted riding a swan (hamsa) which symbolizes purity par excellence (Sattva Guna), wisdom, prudence and the discerning power to differentiate between good and bad, eternal and transient (Viveka) discipline, stamina, grace and beauty.

The Ocean over which the swan appears, represents the unfathomable vastness of wisdom and depth of the world of knowledge as well as the collective human race where diverse elements co-exist.

The Golden Circle that surrounds all of the above symbolises the immortal nature of knowledge and the element of continuity in the work of disseminating knowledge. The colour itself reflects optimism, high ideals, enlightenment and the bright future for our students and college.

The Motto that appears in Sankrit- "Vidyaya Vindate Amitam"- and in English- "Knowledge is Immortal" -is taken from Kena-Upanished (11:4). In this context, knowledge as 'Vidyaya' implies a deeper meaning than mere learning. It is a state of mind where the individual is attuned to the divine consciousness and thus attains knowledge that is immortal and blissful.

The literal meaning of this statement is that the self is the source of immortality. The term "Vidya" means the sustenance of interrupted experience of Wisdom and Bliss: Knowledge here does not mean ordinary learning but it is blissful of immortal where the individual is termed to the divine consciousness which cannot be distracted by it is forever eternity.

Therefore our great emblem bestowed in our College Logo is accepted and relevant and it will co-exist With the years to come.

Our Motto :
Knowledge is Immortal

OUR VISION

We envision Shillong College as a centre of Excellence for Wisdom, a beacon of hope, a model embodiment of the ideals upon which our great nation has been built.

OUR MISSION, AIMS AND OBJECTIVES

To endeavour to provide to all sections of society, quality yet affordable education, and create a knowledge-based society where avenues of success are readily available to all sections of the society, both urban and rural.

To provide the right atmosphere that will facilitate the tapping, honing and refinement of latent potential talent and skill through appropriate academic, extra and co-curricular activities, promoting the pursuit of excellence thereof and leading to integrated personality development.

To remain socially committed, with special impetus on catering to the needs of the socially, economically and educationally disadvantaged groups, and through academic excellence, confidence building and character development to elevate them to a level of excellence thus providing them with a fair chance of success and better future.

To be attuned to the emerging needs of the young generations in a world of constant flux and to inculcate knowledge and need-based work skills so that the products of our college possess a competitive edge in the job market and find themselves "prepared for gainful employment.

To constantly update, equip, improve and evolve ourselves in all aspects in order to become more proficient and efficient in fulfilling our commitments to the students and the society at large to the best of our ability.

To not only help our students become job-proficient but to sensitize, encourage and promote moral, a secular, scientific and nation –building virtues in the backdrop of varied and complex multiplicities that weave the beautiful patterns of our country so that the students respect, protect, nurture and value the rich composite culture of the country, INDIA.
