

## Report on the S.C . Dutta Memorial Lecture organized by the Department of Education

For the S.C. Dutta Memorial Lecture, Department of Education, Shillong College organised a programme on the 22nd of November, 2021 on the topic 'Accessing Inner Resources in Crisis Moments'. The resource person for this program was F.R. George Palamattathil, SDB Founder Director of Siloam, Centre for Transformative Leadership. The programme started with a welcome speech from Dr. H. Langrai ( Head of Education Department), followed by a speech from the Principal, Dr. E. Kharkongor. In his lecture, Fr George talked about the need and importance of drawing strength from within ourselves during times of crisis. He mentioned the covid situation which has really affected us all and how during this situation we realised that there are a lot of things that are superficial which we can do without while what is important is about what is within us. How many people have coped with such the covid crisis by drawing strength from within themselves for those God given inner resources that have helped them to survive and to come out of the crisis stronger. Further, the resource person, also stressed on the importance of being hopeful, kind, loving, caring and to do the best that we can in times of crisis in order to help others. These are the qualities that we should hold onto and that will help us and support us in times of crisis. The programme was attended by 75 ( Seventy-five) participants. The programme concluded with the vote of thanks given by Ms B.M.L. Wanswett, Assistant Professor, Education Department.

The poster features a light blue background with a dark blue and teal geometric design on the right side.
